EDUCATION

Vellore Institute Of Technology, Bhopal

Bachelor of Technology in Computer Science

Aug. 2023 - May 2027

CGPA : 8.98/10

City Montessori School

Science Stream Class XII

April 2007 - May 2023

97.83%

Science Stream Class X

97.67%

PROJECTS

Sign Language Detection

Python, OpenCV, MediaPipe, Machine Learning

- Developed a real-time sign language detection system using computer vision and machine learning.
- Implemented the full development lifecycle including data collection, model training, evaluation, and deployment for real-time usage.
- Trained and deployed a custom model to classify signs and display corresponding text output instantly.

BookVault - A Web Application for Library Management

HTML, CSS, JavaScript, Node.js, Express, MongoDB

- Created a full-stack, secure web application with real-time book search, customized dashboards, and user authentication to expedite library administration.
- Implemented an administrative portal to help librarians effectively manage users, monitor borrow histories, and deal with book returns and issuance.
- Integrated an AI chatbot for user support and e-library functionality.

Rightly – AI Legal Assistant

Python, PyQt5, LLMs, NLP, Web Scraping, Speech Recognition

- Designed and implemented a voice-controlled system enabling real-time speech-to-text query handling and text-to-speech responses through an intuitive desktop GUI.
- Integrated real-time web search to fetch up-to-date legal information when queries exceeded the model's base knowledge.
- Built modular backend components for chatbot logic, image generation, live search, and system automation, ensuring scalability and maintainability.

TECHNICAL SKILLS

Languages: Java, Python, C++, SQL (MySQL), JavaScript, HTML/CSS

Frameworks / Libraries: React JS, Tailwind, Bootstrap, OpenCV, MediaPipe

Developer Tools: GitHub, VS Code, Chrome DevTools

Core Concepts: Data Structures and Algorithms, Object-Oriented Programming, Operating Systems, Database Management Systems, AWS.

EXTRACURRICULAR

GSSoC'24 GirlScript Summer of Code

Open Source Contributor

- Contributed to 2 open source projects in healthcare website.

GeeksforGeeks Student Chapter

Technical Member

- Contributed to organizing and conducting technical workshops and coding competitions.
- Guide and mentor fellow students in technical activities and competitive programming.

CERTIFICATIONS

1. Earned NPTEL certificate in Machine Learning.
2. AWS Solutions Architecture Virtual Experience by AWS Forage
3. Awarded a scholarship by the Council for the Indian School Certificate Examinations
4. Secured Second Place in the prestigious SmarTEN Science Video Contest, recognized for creativity.
